

LONGSHIP

Job offer

Longship BV is looking for a **(junior) ship operator** to join our expanding chartering and operations team.

As a ships operator you will be involved in the day to day operations of our fleet of 30 multi-purpose and container vessels and liaise with our long-term customers.

Our vessels are trading worldwide and you will be at the forefront of ensuring efficient voyages and commercial operations so that costs are kept to a minimum.

Your responsibilities include i.a.:

- Excellent communication with the crew, port and other relevant parties to ensure smooth operations of the vessel
- Agency appointments
- Arranging bunkering and stevedoring
- Position updates
- Monitoring the performance of the vessels and ensuring maximum profit of the voyages
- Post fixture tasks

Key skills and qualifications:

- Excellent communicative and negotiating skills
- Able to make decisions under pressure
- Fluent in written and spoken English
- Experienced Microsoft Office user or similar

The ideal candidate will have experience in ships operations and have a background in the short sea shipping segment.

We offer a challenging position in a motivated team with an open and collegial atmosphere. You will receive a competitive salary and excellent secondary benefits.

You can send your motivation & résumé to;
